FOR A TOTAL OF 8 CONTINUING EDUCATION CREDITS**

The CFAA Ontario Chapter is proud to announce that they will be hosting our Annual Technical Training Seminar on **Wednesday, May 29th at Crystal Fountain Event Venue in Markham**. The Technical Training Seminar serves as an education and networking platform for all members in the industry. As our industry codes, standards, and technology evolve, so too should your skills and knowledge. This event will include extremely knowledgeable presenters. You will leave with relevant knowledge that will enhance your capabilities as a member of the fire protection industry.

We will provide a more detailed agenda of specific topics and presenters closer to the date of the event.

Following the seminar we will be hosting the Ontario Chapter AGM, where we encourage all to attend to vote for your new Ontario Chapter Board of Directors. *(Information regarding roles available for nominations can be obtained from the CFAA office administrators.)*
